Kirsten Walli, Board Secretary
Ontario Energy Board
Suite 2701-2300 Yonge Street
Toronto ON M4P 1E4

Dear Ms Walli:

Re: EB-2011-0277/Enbridge Gas Distribution Inc. ("Enbridge")/2012 Rate Adjustment

We are counsel to the Consumers Council of Canada ("CCC"). We have been instructed by our client to intervene in the Application of Enbridge Gas Distribution Inc. ("EGD") for an order approving rates for 2012.

The CCC is a public-interest entity which represents the interests of residential consumers of natural gas in Ontario. The granting of the order requested would have an impact on the rates which residential consumers pay for the delivery of natural gas.

The CCC intends to ask for an order of costs, at the conclusion of the proceeding. The CCC represents the interests of residential consumers. The CCC has participated in many of the applications of EGD, seeking a variety of orders, over a long period of time, including EB-2007-0615, EGD's application for approval of the incentive regulation plan from which the present application flows. In all of those proceedings, the CCC has been recognized as being eligible for an award of costs.

Copies of all Board notices, and of all evidence, should be sent to the writer, and to the CCC's consultant, Julie Girvan. Ms Girvan's contact information is: 62 Hillsdale Avenue East Toronto, ON, M4S 1T5, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

WeirFoulds LLP

Robert B. Warren
