Re: Board File No. EB-2011-0078

This is to request that Melville United Church be given 'observer status' with respect to File # EB-2011-0078 "Leave to construct a natural gas pipeline"

Also please note the correction to our mailing address shown at the top of this page and the correct spelling of Melville. The physical location of Melville United Church is 24159 Nairn Road, Middlesex Centre, Ontario.
