**Re: Hydro One Networks Inc.
Bruce to Milton – Entry onto Land
Written Hearing
Board File No. EB-2007-0920**

On February 6, 2008, the Board issued Procedural Order #1 for the EB-2007-0920 proceeding. The Procedural Order required any parties that wanted to cross examine Hydro One witnesses on its Entry onto Land application to advise the Board no later than February 19, 2008. The Board further stated that if no parties wished to cross examine Hydro One witnesses, then it would proceed by way of a written hearing. The Board received no communications from any party regarding cross examination of Hydro One witnesses or a need for an oral hearing.

The Board will therefore proceed with a written hearing. The date tentatively held for an oral hearing (February 29, 2008) is hereby cancelled. A new procedural order will follow shortly setting dates for written submissions.

Yours truly,
