**IN THE MATTER OF AN APPLICATION BY**  
**TORONTO HYDRO-ELECTRIC SYSTEM INC.**  
  
**2012 ELECTRICITY DISTRIBUTION RATES**

**NOTICE OF INTERVENTION**  
  
**OF THE**  
  
**VULNERABLE ENERGY CONSUMERS COALITION**

To: Ms. Kirsten Walli  
Board Secretary

And to: Mr. Glen Winn, Toronto Hydro-Electric System Inc.

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
  - (a) The Federation of Metro Tenants Association (FTMA)
  - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association (the “FTMA”) is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street  
Toronto, ON  
M5B 1L2

3. The Ontario Coalition of Senior Citizens’ Organizations (“OCSCO”) is a coalition of over 160 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO’s mission is to improve the quality of life for Ontario’s seniors. OCSCO’s address is:

333 Wilson Avenue, Suite 406  
Toronto, ON  
M3H 1T2

4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of intervening in proceedings to advocate on behalf of the interests of Ontario’s vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
5. Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of

the interests of vulnerable consumers by ensuring the availability of competent representation and consultant support to the VECC participation.

6. The name and address of the agent authorized to receive documents on behalf of VECC is:

Mr. Michael Buonaguro  
Counsel  
c/o Public Interest Advocacy Centre  
34 King Street East, Suite 1102  
Toronto, Ontario  
M5C 2X8  
(416) 767-1666 (office)  
(416) 348-0641 (fax)  
[mbuonaguro@piac.ca](mailto:mbuonaguro@piac.ca)

7. VECC would request that all correspondence and documentation also be copied to VECC's consultant:

Mark Garner  
Econalysis Consulting Services  
34 King Street East, Suite 1102  
Toronto, Ontario  
M5C 2X8  
(647) 408-4501 (office)  
(416) 348-0641 (fax)  
[mgarner@econalysis.ca](mailto:mgarner@econalysis.ca)

8. VECC requests that a paper copy of the application and any additional supporting materials be forwarded to Mr. Garner at the above address and that electronic copies be sent to both Mr. Buonaguro and Mr. Garner at their respective e-mail addresses.
9. In addition to the usual issues related to a cost of service application, VECC notes that Toronto Hydro-Electric Systems Inc (Toronto Hydro) has filed evidence on a number of other issues including: a three year rate

- proposal with significant service revenue increases; a substantial capital program, funding of its Green Energy Plan and recovery of LRAM amounts. The Board's disposition of these and other issues in the application may affect consumers represented by VECC.
10. VECC notes that it has previously been approved as an intervenor in proceedings related to Toronto Hydro, including its last rates application, EB-2010-0142.
  11. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates.
  12. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
  13. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
