Dear Ms. Morin:

**Re: Chapleau Public Utilities Corporation, 2008 Distribution Rates Application
Board File Number EB-2007-0755**

The Board has received your letter of February 20, 2008 requesting an extension for the filing of interrogatory responses from February 13, 2008 to March 15, 2008.

The Board will grant the extension and expects that the responses will be filed on or before that date. The delay in filing these responses may subsequently cause a delay in the issuance of the Board's Decision and Order in this matter.

When the responses are received, the Board will issue further correspondence indicating the next steps to be taken in this matter and corresponding dates.

Yours truly,
