Dear Mr. Shepherd:

**Re: Grimsby Power Inc.
2012 Distribution Rate Application
Board File No.: EB-2011-0273**

The School Energy Coalition ("SEC") filed a Notice of Intervention with the Ontario Energy Board (the "Board") on September 26, 2011 seeking intervenor status and cost eligibility in the EB-2011-0273 proceeding.

The Board notes that SEC's request for intervenor status and cost eligibility was filed after the deadline indicated in the Notice of Application for this proceeding. The Board grants the SEC intervenor status subject to the right of parties to object. The Board has also determined that SEC is eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*.

In granting this request for late intervention, the Board reminds parties, including SEC, that the current schedule of events as set in Procedural Order No.1 for EB-2011-0273 dated September 21, 2011, remains in place.

Yours truly,
