Re: Delay in Filing 2012 IRM Application EB-2011-0172

Dear Ms. Walli:

Cooperative Hydro Embrun Inc. is scheduled to file an IRM application for 2012 Electricity Distribution Rates and remains committed to submitting a complete application that conforms to the most recent filing requirements issued by the Board.

Cooperative Hydro Embrun Inc.'s explanation for the delay is related to Account 1562 review by Cooperative Hydro Embrun Inc.'s chartered accountants.

In order to prepare a thorough application Cooperative Hydro Embrun Inc., sincerely regrets that we will not be able to meet the September 30, 2011 filing deadline. Cooperative Hydro Embrun Inc. will continue to work diligently to submit the application at the earliest possible date but no later than October 14, 2011.
