**RE: EB-2011-0277 EGD APPLICATION FOR 2011 RATE ADJUSTMENT**

**REQUEST & SUPPORT**

I am writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) in regard to the Notice of Application dated September 20, 2011. The Application requests adjustments to rates under Section 36 of the Ontario Energy Board Act, 1998. These adjustments have effect on the members of the FRPO.

FRPO is Ontario's leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 250,000 rental suites across the province. Our members strongly believe that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board in these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

**ISSUE**

Evidence in this application is pending and FRPO will determine the issues of greatest importance and its respective positions at that time.

**REPRESENTATION**

If the intervention requested is granted, then FRPO asks that further communications with respect to this matter be sent to the following:
