IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act, 1998* by YES
Energy Management, Inc. to amend unit sub-metering
licence, ES-2011-0058

By delegation, before: Jennifer Lea

DECISION AND ORDER

YES Energy Management, Inc. ("YES Energy") filed an application on July 8, 2011 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998* to amend the name of unit sub-metering licence ES-2011-0058 from Energy Billing Services Inc. to YES Energy Management, Inc.

On August 3, 2011, the applicant filed additional information to complete its application.

The licence amendment is granted.

Reasons

The applicant stated that as part of a new marketing effort, it underwent a name brand transition in both the United States and Canada and its name changed from Energy Billing Services Inc. to YES Energy Management, Inc. The applicant stated that the change was to differentiate its company from similarly named competitors and to reflect an expansion of energy management services to its customers.

In support of its application, the applicant filed an amended extra-provincial licence for the name change issued by the Ministry of Government Services in Ontario and a certificate of the new name from the Secretary of State of the State of Colorado.

With the exception of the name change, the applicant stated that all other information with respect to the existing licence remains the same.

The applicant stated that it currently has no customers in Ontario and no parties will be adversely affected in a material way by this proceeding.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that granting the requested amendment is in the public interest.

IT IS ORDERED THAT:

Unit sub-metering licence ES-2011-0058 is amended as requested. The amended licence is attached to this Order.
