Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("EGD")**  
**EB-2011-0290 ARC Exemption Extension Application**

The Ontario Energy Board ("Board") received written submissions from two interested parties – Board Staff and the Canadian Manufacturers & Exporters on or before the September 30, 2011 due date. No interested parties have opposed the relief sought by EGD in the application, and Board Staff submitted that the exemption be granted on the condition that Gazifere does not provide any competitive services in Ontario. EGD accepts this condition as consistent with the Board's prior decision on this matter in EB-2008-0275.

Please consider this letter as EGD's final submissions on the Application.

Yours truly
