Kirsten Walli
Board Secretary
Ontario Energy Board
Suite 2701 - 2300 Yonge Street
Toronto ON M4P 1E4

Dear Ms Walli:

**Re: EB-2011-0327/Union Gas Limited ("Union")/
2012-2014 Proposed Demand Side Management Plan**

We are counsel to the Consumers Council of Canada ("CCC"). By this letter we request intervenor status for the CCC in this application.

The CCC is a non-profit, public interest entity which represents the interests of the broad array of residential consumers of natural gas. The outcome of this application will have an impact on the rates which residential consumers pay for the delivery of natural gas.

Representatives of the CCC have, over many years, participated in all aspects of the Board's consideration of the DSM plans of Union.

The CCC intends to ask for an award of costs to cover its participation in this proceeding. The CCC has no funds of its own to sustain its intervention. In all of its interventions in proceedings considering Union's DSM plans, the Board has awarded the CCC 100% of its reasonably-incurred costs.

Copies of all Board notices, and of all evidence, should be sent to the writer, and to the CCC's consultant, Julie Girvan. Ms Girvan's contact information is: 62 Hillside Avenue East Toronto, ON, M4S 1T5, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

WeirFoulds LLP

Robert B. Warren
