Dear Ms. Walli:

**Re: Oakville Hydro Energy Services Inc.
Application for an Electricity Retailer Licence
Board File Number EB-2011-0244**

On June 16, 2011, Oakville Hydro Energy Services Inc. (OHESI) submitted an application for the renewal of its Electricity Retailer Licence. After consultation with Board staff, OHESI has determined that the service that it is currently providing is a green energy product and not a competitive energy product and that OHESI does not require an Electricity Retailer Licence in order to provide this service. Therefore, OHESI hereby withdraws its application for an Electricity Retailer Licence.

Should you have any questions or require any further information please contact Maryanne Wilson at 905-825-4422.

Respectfully submitted,
