Dear Mr. Vos:

**Re: Rosa Flora Growers Limited
Application for an Electricity Generation Licence
Board File Number EB-2011-0356**

This will acknowledge receipt on September 30, 2011 of your application for an electricity generation licence. The Board has assigned file number EB-2011-0356 to this matter.

According to the Board's records Rosa Flora Growers Limited is already licensed to generate electricity and is holding the electricity generation licence EG-2003-0208 issued on October 29, 2003. You don't need to apply for a new licence if you wish to add another generation facility to Schedule 1 of your licence, instead you have to apply for your existing licence amendment. Accordingly, the Board is returning the documentation received on September 30, 2011, including the cheque you submitted with your application.

For some guidance with respect to the information you will need to submit with your licence amendment request please refer to the Board's website
<http://www.ontarioenergyboard.ca/OEB/Industry/Licences/Licence+Amendments>

Please file two paper copies of the licence amendment application and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to
boardsec@ontarioenergyboard.ca.

Please refer to the file number EB-2011-0356 in all future correspondence to the Board regarding this matter. All information related to this matter must be filed with the Board Secretary.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at +1 (416) 440-8138 or Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
