The Ontario Energy Board has now issued its Notice relating to your rate application and the associated hearing, as well as to the combined proceeding referred to in the January 29, 2007 “Report of the Board on 2nd Generation Incentive Regulation for Ontario’s Electricity Distributors: Addendum for Smart Metering Rates” (“Notice”).

You are directed:

To arrange immediately for the enclosed English version of the Notice, headed with the Ontario government logo and the words “Ontario Energy Board”, to be published in one issue of the English language newspaper having the highest paid circulation, according to the best information available, in Tillsonburg Hydro Inc.’s service area;

(Note: Please make it clear that invoices regarding publication are not to be sent to the Board.)

2. If Tillsonburg Hydro Inc. is a Host Distributor, to immediately, and no later than the date of publication of the Notice, serve a copy of the Notice directly on its Embedded Distributor(s);
