Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Plateau Wind Inc. - Generator Licence Application - EB-2011-0346

We are counsel to Plateau Wind Inc. ("Plateau"), applicant in the above-referenced proceeding. The Board issued a Notice of Application and Written Hearing in this matter on September 30, 2011. The Notice calls for participants wishing to file written submissions setting out their views on the application to forward two paper copies and an electronic copy to the Board, as well as to provide a copy of their submission to the applicant by no later than October 11, 2011. The applicant has a right to respond by no later than October 18, 2011. For the reasons below, Plateau will be filing its response on October 19, 2011, one day past this deadline.

Plateau received one participant submission on October 11, 2011 and anticipated filing a response on October 18, 2011. During a call with Board Staff on an unrelated matter late in the afternoon today, Board Staff referred to there being two participant submissions filed in the present matter. Apparently, a second submission was filed by Roger and Pat Foster by fax and was not provided by the participant or by Board Staff to the applicant. We are now in receipt of the second submission and will be in a position to file Plateau's response on October 19, 2011.

As was indicated in its application and as will be reiterated in its response, Plateau requests that a decision and licence be issued so as not to impact the planned in-service date for the facility. We trust that this one-day delay will not impact the Board's ability to accommodate the request.

Yours truly,

A handwritten signature in black ink, appearing to be "J. Myers", written over a horizontal line.
