Dear Mr. Armstrong:

**Re: Veridian Connections Inc. ("Veridian")
Application for Rates
Application Board File Number EB-2011-0199**

The Board is in receipt of your 2012 IRM3 rate application on October 14, 2011. As part of your application, you indicated that Veridian is not proposing to dispose of account 1562 at this time because Veridian's circumstances relating to account 1562 deviate from those addressed in the Combined PILs proceeding due to the impact of a corporate merger and a number of acquisitions that will affect the account balances.

The Board accepts Veridian's rationale for not proposing disposition of account 1562 in its 2012 IRM application. The Board however expects Veridian to address the disposition of account 1562 in a stand-alone application to be filed no later than April 1, 2012.

Please direct any questions relating to this matter to Daniel Kim, Analyst at 416-440-8135 or e-mail Daniel.kim@ontarioenergyboard.ca.

Yours truly,
