Cascade interest is due to re-calculation of instalment base  
resulting from revised "Total Tax Payable" in prior years

The 2001 Ontario Budget simplified instalment requirements for corporations  
with total tax payable in the current or preceding year of \$2,000 or more and  
less than \$10,000. For tax years commencing after 2001, these corporations may  
now pay quarterly instalments.

Cascade interest is due to re-calculation of instalment base resulting from revised "Total Tax Payable" in prior years

The 2001 Ontario Budget simplified instalment requirements for corporations with total tax payable in the current or preceding year of \$2,000 or more and less than \$10,000. For tax years commencing after 2001, these corporations may now pay quarterly instalments.
