Dear Ms Walli

Enbridge Gas Distribution Inc.
Application for Recovery of 2005 and 2006 DSM Accounts
Board File No.: EB-2007-0893
Our File No.: 302701-000424

We are submitting this letter on behalf of our client, the Industrial Gas Users Association ("IGUA"), in response to the Board's Notice of Application dated February 7, 2008, pertaining to the application by Enbridge Gas Distribution Inc. ("EGD") for recovery of certain amounts recorded in 2005 and 2006 DSM Accounts.

1. IGUA applies for intervenor status in these proceedings.
2. IGUA is an association composed of industrial users of substantial quantities of gas distributed by Ontario gas distributors. IGUA members currently consume 144 Bcf of gas per annum, of which approximately 80 Bcf is consumed in Ontario. The members of IGUA are vitally concerned with the supply and price of gas and all other matters directly or indirectly affecting supply and prices. IGUA has appeared in previous proceedings before this Board involving EGD.
3. The members of IGUA, which carry out their industrial undertakings in the Province of Manitoba, Ontario and Québec, are listed in Schedule "A" hereto.
4. IGUA intends to consider and address all of the issues which the Board eventually lists for determination in these proceedings.
5. Considering the issues that EGD's Application raises, IGUA does not oppose proceeding on the basis of a written hearing.
