Dear Ms. Walli,

RE: EB-2011-0350 – Intervenor Status Request for Canadian Niagara Power Inc.

In response to the Board's October 19, 2011 letter, Canadian Niagara Power Inc. (CNPI) is requesting Intervenor status in the EB-2011-0350 proceeding for the Transmission license for EWT LP.

CNPI intends to review the application, all pre-filed evidence and any additional information filed that are of public record, as well as participate actively in this proceeding. Accordingly, a copy of CNPI's notification shall also be forwarded to EWT LP in order to receive access to the pertinent documents.

Yours sincerely,

Nameer Rahman
