Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street 27th Floor
Toronto ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2005-0244 Enbridge Gas Distribution Inc. ("EGD")
Transactional Services ("TS") Certification**

EGD is required, pursuant to Appendix A of the Board's July 19, 2005 final order in the EB-2005-0244 proceeding to file with the Board an annual written certification that EGD has been in compliance with the approved TS methodology. The TS Methodology was subsequently revised in 2008 (EB-2007-0932). EGD last filed a certification with the Board on this matter in November 2010. The purpose of this letter is to provide the Board with the requisite certification for the period since.

I hereby certify that EGD has been in compliance with the original TS methodology (EB-2005-0244) prior to April 28, 2008 and with the revised TS methodology (EB-2007-0932) subsequent to April 2008, as required by the Board's July 19, 2005 final order.

Sincerely,
