Dear Ms. Walli

**Re: Ontario Energy Board File no: EB-2011-0166
Essex Powerlines Corporation
2011 IRM 3 Electricity Distribution Rate Application**

Essex Powerlines Corporation respectfully request a one week extension on the filing of its' 2011 IRM 3 due to computer issues which arose since downloading the updated Rate Generator file on October 21, 2011.

It was found that the outputs from the file are corrupt and it is necessary to re-download the Rate Generator file and re-input all data. We are requesting the additional time for re-input and re-verification.

We will submit the revised file as soon as possible and no later than November 3, 2011.

Regards,
