Dear Ms. Walli:

**Re: Peterborough Distribution Inc. 2012, 3<sup>rd</sup> Generation IRM Adjustment  
Application**

Peterborough Distribution Inc. (PDI) wishes to inform the Board that the 2012 Electricity Rate application due on October 28, 2011 will not be filed on time.

PDI's submission has been influenced by the deadline for filing LRAM and SSM applications as well as the recent Board's Decision in the Account 1562 PILs proceedings and is working diligently to submit accurate data in order to avoid having to re-file.

It is PDI's objective to submit the 2012 Electricity Rate application at the earliest possible date and no later than November 25<sup>th</sup>, 2011. PDI is hopeful that this delay will not affect Board approval of its Electricity Distribution rates effective May 1, 2012.

Yours truly,
