Application for Approval of 2012 Rates – Additional evidence submission

Dear Ms. Walli:

On October 28, 2011, Kitchener-Wilmot Hydro Inc. ("KWHI") submitted its Application and Evidence to the Ontario Energy Board ("OEB" or the "Board") for rates effective May 1, 2012.

In its filing, a paper copy of the 2005 PILs proxy was omitted from the evidence submitted to the Board. Note that the 2005 PILs Proxy was included in the .pdf version submitted through the RESS system. KWHI respectfully request Board staff to place the paper copy of the 2005 PILs proxy in Exhibit 1-16 immediately behind the 2005 rate adjustment model (which also forms part of Exhibit 1-16).

Should you require any further information or clarification of any data contained in this application, please contact the writer.

Respectfully submitted,
