BY EMAIL & COURIER

Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge St, Suite 2701  
Toronto ON M4P 1E4

Dear Ms. Walli:

**Board File No. EB-2011-0144**  
**Toronto Hydro-Electric System Limited – 2012-2014 Cost of Service**  
**Energy Probe – Preliminary Issue Interrogatories**

Pursuant to the Decision and Procedural Order No. 3, issued by the Board on October 28, 2011, Energy Probe Research Foundation (Energy Probe) notes that the responses from the Applicant to four of its Interrogatories in the EB-2011-0144 proceeding are deemed by Energy Probe to be deficient. However, since Toronto Hydro is not relying on that evidence in its argument for the preliminary issue, Energy Probe is content to await the outcome of the preliminary issue before pressing for complete responses.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh  
Case Manager

cc: Glen Winn, Toronto Hydro-Electric System Limited (By email)  
Mark Rodger, Borden Ladner Gervais LLP (By email)
