Dear Ms. Walli:

Re: OEB File No. EB-2011-0123
Guelph Hydro Electric Systems Inc. (Guelph Hydro)
2012 Electricity Distribution Rate Application – Responses to Undertakings

Yesterday November 8, 2011, Guelph Hydro submitted its responses to undertakings (JTCs) following the Technical Conference commenced on October 27, 2011. Two Excel files referenced in the responses could not be submitted because:

- one file, Guelph_JTC1-8_PST-HST Incremental ITC_20111108, was too large (above 460 MB) and contained confidential information (vendors' names), and
- the other, Guelph_JTC1-30_App A_201108, was misplaced.

Guelph Hydro has summarized first file data and excluded confidential information, and recovered the second file.

Guelph Hydro is submitting today November 9, 2011 the two missing references:

1. Guelph_JTC1-8_PST-HST Incremental ITC_20111108.xls
2. Guelph_JTC1-30_App A_201108.xls

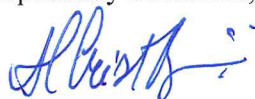

In addition, Guelph Hydro is submitting the updated Fixed Assets Continuity Schedules (Guelph_Revised_Cont_Sch_20111108.xls) as SEC requested in the Technical Conference (it is related to JTC1.1).

The files will be submitted via RESS in Excel format only.

We apologize for any inconvenience created.

Should there be any questions, please do not hesitate to contact me.

Respectfully Submitted,

Cristina Birceanu
