Dear Mr. Randall:

**Re: Norfolk Power Distribution Inc. 2012 Electricity Distribution Revenue Requirement and Rates
Board File No. EB-2011-0272**

On October 7, 2011 the Board issued Procedural Order No. 1 which provided a deadline for applicant interrogatory responses of November 14, 2011.

On November 9, 2011, Norfolk Power Distribution Inc. (Norfolk Power) sent a letter to the Board which indicated that it had worked diligently to prepare responses to interrogatories received from Board staff and intervenors. However, due to the number and complexity of the interrogatories received, Norfolk Power requested an extension to November 28, 2011 to provide the interrogatory responses.

The Board notes that one intervenor, Energy Probe, supported the request made by Norfolk Power in a letter dated November 9, 2011.

The Board has determined that Norfolk Power's request is reasonable and will grant the requested extension of the interrogatory response deadline to November 28, 2011.

Yours truly,
