Please find enclosed one copy of the corrected Application and pre-filed evidence for an Order to change the gas rates with respect to the above matter. This file has been revised to reflect corrections in the PGCVA calculations.

In order to provide NRG with the necessary lead-time to make the necessary system changes and print the customer notices, it requests that the Board make its decision on this matter on or before March 20, 2008.

If you require any further information regarding this Application, please do not hesitate to contact us.
