Dear Mr. Buonaguro:

**Re: Veridian Connections Inc. ("Veridian")
2012 Incentive Regulation Mechanism Rate Application
Board File Number EB-2011-0199
Notice of Intervention of the Vulnerable Energy Consumers Coalition
("VECC")**

The Board confirms VECC as an intervenor in the above noted proceeding, subject to Veridian's right of reply to your request within 14 calendar days from the filing of your notice of intervention.

The Board has determined that VECC is eligible to apply for an award of costs under its *Practice Direction on Cost Awards* (the "Practice Direction") in relation to Veridian's proposal for lost revenue adjustment mechanism recovery and revenue-to-cost ratio adjustments. The Board expects that cost claims in relation to revenue-to-cost ratio adjustments will be made only for matters that go beyond the implementation of previous Board Decisions.

The Practice Direction and related forms are available on the Board's website at www.ontarioenergyboard.ca.

Yours truly,
