Dear Mr. Sidlofsky:

**Re: Grimsby Power Inc. - Application to the Ontario Energy Board for
Electricity Distribution Rates and Charges as of January 1, 2012
Board File Number EB-2011-0273**

The Board has received your letter dated November 17, 2011, requesting that the Technical Conference in this matter be rescheduled to a later date. Grimsby Power Inc. has advised the Board that it cannot have answers prepared in time for the Technical Conference and that, furthermore, it does not object to preparing written responses to the questions.

In light of the circumstances identified by Grimsby Power Inc., the Board will cancel the date for the Technical Conference. Grimsby Power Inc. shall file with the Board complete written responses to all the Technical Conference questions no later than November 22, 2011. The Settlement Conference will then proceed as scheduled on November 23, and if necessary, November 24, 2011. The Oral Hearing, if necessary, will also proceed as established in Procedural Order No. 1.

Yours truly,

Kirsten Walli,
Board Secretary
