Dear Mr. McNally:

**Re: Centre Wellington Hydro Ltd. (“Centre Wellington”)
2012 Incentive Regulation Mechanism Rate Application
Board File Number EB-2011-0160
Notice of Intervention of the School Energy Coalition (“SEC”)**

The Board confirms SEC as an intervenor in the above noted proceeding, subject to Centre Wellington’s right of reply to your request within 14 calendar days from the filing of your notice of intervention.

The Board has determined that SEC is eligible to apply for an award of costs under its *Practice Direction on Cost Awards* (the “Practice Direction”) in relation to Centre Wellington’s proposal for lost revenue adjustment mechanism (“LRAM”) and/or shared savings mechanism (“SSM”) recovery and proposal for an Incremental Capital Module (“ICM”).

With respect to the disposition of account 1562, no decision on cost awards is required as this issue will not be heard as part of this IRM application.

The Practice Direction and related forms are available on the Board’s website at www.ontarioenergyboard.ca.

Yours truly,
