Dear Ms. Walli:

Re: Ontario Energy Board (the "Board")
File No. EB-2007-0731
2007 CASDA - EGD Comments on Intervenors Cost Claims

In accordance with the Board's Decision and Order dated February 4th, 2008 with regards to the above noted proceeding, Enbridge Gas Distribution (the "Company") has reviewed the cost claims it has received from each of the Consumers Council of Canada ("CCC"), Industrial Gas Users Association ("IGUA"), School Energy Coalition ("SEC"), and Vulnerable Energy Consumers Coalition ("VECC").

The Company found the claims to be consistent with the allowances of prescribed rates within the cost assessment guidelines and has no objection to these claims.

The Company awaits the recommendations and or cost awards of the Board with respect to these intervenor cost claims.

Enbridge Gas Distribution reserves the right to make submissions regarding any outstanding intervenor cost submissions which are subsequently received.

Yours truly,
