Dear Mr. Bradbury:

**Re: Algoma Power Inc.  
Application for 2012 Distribution Rates  
Board File No. EB-2011- 0152**

On November 15, 2011 Algoma Power Inc. ("Algoma") filed a letter with the Board requesting that correspondence received from Mr. Duncan be removed from the public record of the EB-2011-0152 ("current") proceeding. Algoma viewed the correspondence as more appropriately pertaining to the previous and completed EB-2009-0278 proceeding, albeit the correspondence subject heading which referenced the current proceeding. Algoma noted that it is in contact with Mr. Duncan and will continue to respond to his concerns arising from the EB-2009-0278 proceeding as a part of Algoma's customer services commitment.

The Board has considered the request and does not consider it appropriate to remove this letter of comment from the record of the proceeding at this time. Parties will have an opportunity to address in their submissions the relevance of the issues raised by Mr. Duncan's correspondence and the Board will determine the appropriate weight to be given to the correspondence in rendering its decision.

Yours truly,
