Dear Mrs. Walli,

**RE: Hydro Hawkesbury Inc. - Board File No. EB-2011-0173
IRM3 2012 electricity distribution rate application**

Hydro Hawkesbury Inc. is a Licensed Electricity Distributor (ED-2003-0027) operating in the Town of Hawkesbury, Ontario.

Due to recent findings in the Rate Generator Model, Hydro Hawkesbury could not provide a correct bill impact summary in its application. Following the correction of the Rate Generator, we are now capable of identifying the Customer Bill impact.

Corrections are required in the PDF application and will follow shortly. In the meantime, please note the following Bill Impact as requested by Mrs. Birgit Armstrong. This is the conclusion of our Manager's Summary

Conclusion

A copy of the current and proposed tariff sheet are provided in Appendix A and Customer Impacts are provided in Appendix B. In summary, the bill impact for a Residential customer in the Town of Hawkesbury, with a monthly electricity consumption of 800 kWh, will be a increase of 6.61% or \$5.96 per month after HST. The bill impact for a General Service Less Than 50 kW customer with a monthly electricity consumption of 2,000 kWh will be an increase of 6.60% or \$14.61 per month after HST. Please refer to Appendix C, Customer Bill Impacts for detailed bill impacts.
