Dear Ms. Ruzycki:

**Re: Gas Marketer Licence Renewal
Universal Energy Corporation – GM-2009-0364**

The gas marketer licence GM-2009-0364 is due to expire on March 30, 2012.

If Universal Energy Corporation wishes to continue to participate in the Ontario natural gas market, you are invited to file an application to renew Universal Energy Corporation's gas marketer licence. As you are aware, Universal Energy Corporation is not permitted to carry out activities described in section 48 of the *Ontario Energy Board Act, 1998* (the "Act") without a licence.

The standard time required to issue a licence is 90 days from receipt of a complete application. To assist the Board to renew the licence in a timely manner prior to the expiry date, you are required to submit the application to the Board within 30 days of this letter. A licence application form is available on our website at the following address:

<http://www.ontarioenergyboard.ca/OEB/Industry/Licences/Apply+for+a+Licence>

On receipt of the application, the Board will proceed to review the application for renewal in accordance with Part V of the Act. If we do not receive the application by the required date, the Board will be prepared to remove the name from the licensee records once the current licence has expired.

If you have any questions regarding this process, you may contact George Dimitropoulos, Advisor, Licence Applications, at 416-544-5152 or by email at george.dimitropoulos@ontarioenergyboard.ca

Yours truly,
