Dear Mr. Vlahos:

**Re: South Kent Wind LP
Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998*
Board File Number EB-2011-0287**

On August 5, 2011, South Kent Wind LP filed a notice of proposal under section 81 of the *Ontario Energy Board Act, 1998* in connection with South Kent Wind LP's intention to construct transmission facilities in Chatham-Kent, Ontario to connect a 270 MW wind farm to the IESO-controlled grid. The leave to construct application (EB-2011-0217) that this notice of proposal is related to was filed on June 14, 2011.

The notice of proposal under section 81 of the Act was held in abeyance to coordinate with the section 92 leave to construct application. The Board approved the section 92 application with conditions on October 11, 2011.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
