Dear Ms. Walli:

RE: Union Gas Limited - Application for 2013 Rates
Ontario Energy Board File Number EB-2011-0210

Letter of Intervention - Ontario Association of Physical Plant Administrators

Aagent Energy Advisors Inc. has been retained by the Ontario Association of Physical Plant Administrators (OAPPA) to assist OAPPA on matters related to the above-noted application. Aagent is submitting this letter of intervention on behalf of OAPPA.

OAPPA is seeking status as an intervenor in the EB-2011-0210 proceeding and provides the following information:

1. OAPPA is a not-for-profit organization whose membership includes the physical plant administrators for provincially-assisted universities in Ontario, a number of whom are customers of Union Gas. As a result, certain OAPPA member universities will be directly affected by the outcome of this proceeding. Therefore, Union's application for 2013 rates is of direct interest to OAPPA.
2. OAPPA expects to be active in all aspects of the proceeding.
3. OAPPA expects to apply for an award of costs. With respect to the cost eligibility criteria set out in section 3.03 of the Ontario Energy Board's Practice Direction on Cost Awards, in particular criterion (a), OAPPA represents the direct interests of certain ratepayers in relation to regulated services. In the past, OAPPA has been determined to be eligible for cost awards.

4. OAPPA requests that all correspondence and documents be directed to:
