Dear Ms. Walli:

Re: Parry Sound Power Corporation

2012 IRM3 Distribution Rate Application LRAM

File No. EB-2011-0193

As stated in Parry Sound Power Corporation's (PSP) response to Final Submissions, PSP respectfully submits our application to recover Lost Revenue Adjusted Mechanism ("LRAM") and Shared Savings Mechanism ("SSM") in relation to Conservation and Demand Management ("CDM") activities undertaken by Parry Sound Power.

Once PSP received the final OPA numbers we engaged matters experts- Burman Energy to calculate our LRAM amounts. The Burman report documentation and calculations are attached. We have used the last approved Board Billing Determinants (2011 Cost of Service) to allocate the LRAM dollar recovery over each applicable rate class. Table 1 below shows the recovery by class.

Table 1

| Table I                         |             |  |  |
