Dear Ms. Walli:

### **Re: Section 81 Notice of Proposal and Generator Licence Amendment**

I am writing on behalf of my client Fortis Inc. ("Fortis"). As a result of a planned internal reorganization within the Fortis family of businesses that ultimately involves the transfer of generation assets from Fortis Properties Corporation to a new limited partnership named "Fortis Generation East Limited Partnership", we hereby file:

- (i) a Section 81 Notice of Proposal; and
- (ii) a request that the Generator Licence of Fortis Properties Corporation (EG-2003-0106) be amended to name Fortis Generation East Limited Partnership as the licenced generator.

Because the planned transfer of generation assets is an internal reorganization entirely within the Fortis family of businesses, the transfer will have no impact on competition or on the operation of the relevant generation assets.

Sincerely,

Andrew Taylor
