Dear Sir and Madam:

Re: Union Gas Limited leave to construct Halton Hills Generator station  
Notice of application Board file No. EB2008-0024

Please be advised that I am the solicitor for Onkar Rai the registered owner of 7542 Fifth Line, Milton Ontario. Please accept this letter as a formal request for intervener status in the above noted application. The proposed pipeline would pass through my client's property and require a permanent easement of 20 meters fronting on Fifth Line as well as a temporary easement of 5 meters for a period of approximately 1 year also fronting on Fifth Line. My client has been asked to entertain but not yet received a proposal to enter into such an agreement. The outcome of the proceeding may directly affect my client's ability to build on their property. Accordingly, my client wishes to have intervener status in the event it is unable to come to a successful agreement with the

applicant. Should my client be unable to reach satisfactory agreement with the applicant, my client will be seeking their costs for participating in the process.

Your consideration in this matter is greatly appreciated.

Yours very truly,

for JAMES DEEP
