Dear Mr. McCabe:

**Re: West Coast Huron Energy Inc.
Tornado Relief Rate Adder Application
Board File Number: EB-2011-0335**

On November 18, 2011 the Board issued Procedural Order No. 2, which set out the dates for submissions and reply submission. The Board established that West Coast Huron's reply submission was to be filed by December 12, 2011.

On December 12, 2011, West Coast Huron sent a letter to the Board requesting a one week extension to December 19, 2011.

The Board will grant an extension to December 19, 2011 for West Coast Huron to file it's reply submission to Board staff and intervenors' submissions.

Yours truly,
