Dear Ms. Walli:

**Lily Lake Solar Inc.  
Application for a Standard Offer Program Electricity Generator License  
Board File Number EB-2011-0407**

Further to our letter of application dated November 28, 2011, please be advised that Peterborough Utilities Inc. previously filed a notice of proposal under section 80 of the Ontario Energy Board Act, and on December 14, 2010, the Board issued a letter stating that it did not intend to issue a notice of review of the proposal (reference Board File Number EB-2010-0349). As Lily Lake Solar Inc. is a wholly owned subsidiary of Peterborough Utilities Inc., it is our understanding that a new notice of proposal under section 80 of the Act is not required.

Please do not hesitate to contact the undersigned should you have any questions or concerns.

Yours very truly,
