Dear Ms. Walli:

**Re: Oakville Hydro Electricity Distribution Inc.
Phase 2 – Initiative to Develop Electricity Distribution System
Reliability Standards, Board File No.: EB-2010-0249**

Oakville Hydro Electricity Distribution Inc. (Oakville Hydro) is hereby requesting an extension to the deadline of December 20, 2011 for submitting its written responses to the questions set out in the Ontario Energy Board's letter of November 23, 2011.

Oakville Hydro has been working diligently to prepare responses to interrogatories received from Board Staff and Intervenors on its 2012 Distribution Rate Adjustment Application and has not been able to dedicate the necessary resources to prepare written responses.

Oakville Hydro appreciates having been given the opportunity to participate in this process and it respectfully requests that it be granted an extension to December 23, 2011 to enable it to devote the necessary resources to this proceeding.

Respectfully submitted,
