Please find attached correspondence which we filed with the Board this morning on behalf of GLPL, GLPT and GLPTLP requesting a change to Schedule 1 of the Licenses referenced by the Board in its Decision and Order dated December 24, 2007.

As indicated in the attached correspondence the change relates to the insertion of the correct circuit kilometres of 230 kV and 115 kV lines in Schedule 1. The Schedule 1 as presented did not take into account the removal of and replacement of four 115 kV lines with a 230 kV line as a result of the Board's 2004 leave to construct Decision and Order. A copy of that Decision and Order (Ex. G Tab 1 Schedule 2) was filed in the current proceeding, together with the rate settlement agreement (including transcript) (Exhibit E, Tab 1, Schedule 3).

Could you kindly advise in writing as to whether you consent to the change described in the attached correspondence?

As noted in the attached, the closing of this transaction is imminent. As a result, it would be greatly appreciated if you could advise as to your position in this regard as soon as possible.

Please call if you have any questions or concerns.
