Dear Mr. Sasso:

**Re: EnWin Utilities Ltd.
Application for Rates
Application Board File Number EB-2011-0165**

The Board is in receipt of your letter dated December 20, 2011. Your letter indicated that EnWin Utilities Ltd. ("EnWin") would be unable to meet the timelines of publication, outlined in the Letter of Direction issued by the Board on December 19, 2011, due to a closure of the French language publication Le Rampart for the Christmas holidays.

In your letter you indicated that the earliest possible date of publication of the French language version of the Notice of Application and Written hearing would be the January 11th, 2012 edition of Le Rampart. In the interests of regulatory efficiency, you indicated that you would agree to not challenge any French-preferring Intervenor or Observer who expresses interest by January 21, 2011 and agree not to challenge any interrogatories filed by January 21, 2011 (1 day after the date set in the Notice). Your letter did not indicate any issues with regard to the publication of the English language Notice within the timelines specified in the Letter of Direction.

The Board is satisfied with EnWin's proposal and will proceed with the Application using the original timelines set out in the Notice of Application issued on December 19, 2011.

Yours truly,

Original Signed By
