Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
PO Box 2319  
2300 Yonge Street, 27<sup>th</sup> floor  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Toronto Hydro-Electric System Limited's ("THESL")  
Application for Temporary Exemption from Certain Provisions of the  
Distribution System Code ("DSC") and Retail Settlement Code ("RSC")  
OEB File No. EB-2011-0269**

THESL writes in respect of the above-noted proceeding. In particular, THESL writes further to its letter dated December 28, 2011 in which it advised the Board of a coding error which had the potential to materially affect THESL's estimates regarding its past and current compliance levels with section 2.6.5 of the Distribution System Code.

In its December 28, 2012 letter, THESL undertook to advise the Ontario Energy Board (the "Board") by January 13, 2012 whether it had determined that the above-noted coding error, more fully described in the December 28, 2011 letter, did in fact have a material effect on THESL's estimates.

To the best of THESL's knowledge, the above-noted coding error did *not* have a material effect on the estimates contained in THESL's evidence (and submissions) regarding section 2.6.5 of the Distribution System Code. Accordingly, THESL does not need to seek to file a correction to the evidentiary record in this proceeding.

THESL thanks the Board for its attention to, and patience with, this matter.

Yours truly,
