### **SUPPLEMENTARY REGARDING COSTS**

#### **Background**

Niagara West Transformation Corp (the “Applicant” or “NWTC”) filed an application with the Ontario Energy Board (the “Board”) dated November 9, 2010, under section 78 of the *Ontario Energy Board Act*, 1998, 1998 S.O.c.15, (Schedule B) seeking an Order of the Board approving its proposed 2011 transmission revenue requirement, and approving inclusion in, and an update to the provincial uniform transmission rate (“UTR”) that is charged for electricity transmission transformation, to be effective March 1, 2011. The Applicant was granted Approval of a 2011 Revenue Requirement in a decision on August 25, 2011.

The Board considers it necessary to make provision for the following in relation to the application. The Board may issue further procedural orders from time to time:

**Cost Award**

The decision issued by the Board did not address the issue of costs. The Board found that there were no intervenors in the case eligible for costs. Therefore the only costs applicable are those of the Board.

**THE BOARD ORDERS THAT:**

Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, the applicant shall pay the Board's costs of and incidental to, this proceeding immediately upon receipt of the Board's invoice.
