Dear Ms. Walli,

Re: EB-2011-0054 - Hydro Ottawa Limited 2012 Cost of Service Rate Application – Addendum to Draft Rate Order

Please find attached an addendum to Hydro Ottawa Limited's ("Hydro Ottawa") Draft Rate Order, which was originally submitted to the Ontario Energy Board (the "Board") on January 6, 2012:

- New Appendix H – Draft Accounting Order
- Revised Appendix B – change to the Fixed Monthly Service Charge for the GS < 50 kW and GS < 50 kW Non RPP rate classes.

In addition, please note the following correction to the Draft Rate Order:

- Revision to the Total sales shown in Table 6 from 7,673,958 MWh to 7,674,158 MWh.

Please note that these revisions do not affect the requested rates submitted in Appendix A of the Draft Rate Order. Two (2) copies of this addendum will be couriered to the Board today.

Yours truly,
