Re: OEB # EB-2011-0291

Dear Board,

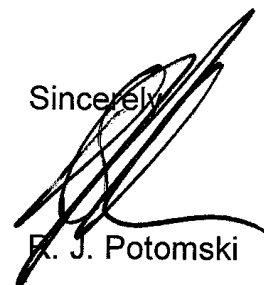

Would you please advise as to the status of my appeal the decision of Jennifer Lea, employee, dated December 12, 2012, as commenced by my Notice of Appeal, dated December 27, 2011, and my supplementary Notice of Appeal, dated January 4, 2012?

It is my position that this matter should be expedited and any delay may be prejudicial to the interests of the consumers.

It is also my position that any employee of the Ontario Energy Board would have a conflict of interest in being involved with any decision on my appeal. This would include but not limited to any legal counsel that was in a position to advise Jennifer Lea.

I will await your immediate response.

Sincerely,

R. J. Potomski
