IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Lakefront
Utilities Inc. for an order approving just and reasonable
rates and other charges for electricity distribution to be
effective May 1, 2012.

PROCEDURAL ORDER No. 2

Lakefront Utilities Inc. ("Lakefront") filed an application with the Ontario Energy Board (the "Board") on October 17, 2011, under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Lakefront charges for electricity distribution, to be effective May 1, 2012. Certain evidence which was missing in the original application was provided in an amended application filed on December 5, 2011. The Board has assigned the File Number EB-2011-0250 to this application.

The Board issued a Notice of Application and Hearing on December 12, 2011. The School Energy Coalition ("SEC") and the Vulnerable Energy Consumers Coalition ("VECC") applied for intervenor status and cost eligibility. No objections were received.

In the Application, Lakefront filed a request that the following documents be held in confidence by the Board pursuant to the Board's *Practice Direction on Confidential Filings* (the "Practice Direction"):

- Advanced Metering Infrastructure Services Agreement between LUI and Sensus Inc.;
- Smart Meter Installation Agreement between LUI and Olameter Inc.;
- Operational Data Store Agreement between LUI and Kinetiq Inc.; and
- Util-Assist Report.

Lakefront advised the Board that un-redacted copies of all documents have been filed with the Board in confidence. Lakefront stated that it will provide un-redacted copies of the documents to parties' counsel and experts or consultants who have executed the Declaration and Undertaking appended to the Board's Practice Direction on Confidential Filings ("Practice Direction"), subject to any objection which might be raised by Lakefront.

The Practice Direction permits any party to a proceeding to object to the request for confidentiality by filing a written objection. This Procedural Order establishes the process for receiving such objections and Lakefront's response.

Please note that further procedural orders may be issued from time to time.

THE BOARD ORDERS THAT:

1. The Applicant shall provide all materials for which confidential treatment has been requested to counsel for SEC and VECC upon execution of a Declaration and Undertaking pursuant to the Board's *Practice Direction on Confidential Filings*.
2. SEC, VECC and Board staff may make written submissions regarding the request for confidential treatment of any or all documents for which Lakefront is claiming confidentiality, which must be filed with the Board and delivered to Lakefront and all other intervenors on or before **January 18, 2012**. Submissions should comply with the *Practice Direction on Confidential Filings*, specifically sections 5.16 and 5.17.
3. Lakefront shall file any reply submission with respect to any submissions filed pursuant to part 2 above, pursuant to section 5.1.8 of the *Practice Direction on Confidential Filings*, with the Board and delivered to all intervenors on or before **January 20, 2012**.

All filings to the Board must quote file number EB-2011-0250, be made through the Board's web portal at www.errr.ontarioenergyboard.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format.
