

EB-2006-0054

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15 Schedule. B;

AND IN THE MATTER OF an application by Energy
Ottawa Inc. pursuant to subsection 74(1) of the
Ontario Energy Board Act, 1998 to amend Schedule 1
of its Electricity Generation Licence;

By delegation, before: Mark C. Garner

DECISION AND ORDER

The Board received an application on March 8, 2006 from Energy Ottawa Inc. (Energy Ottawa) seeking an amendment to Schedule 1 of its Electricity Generation Licence EG-2003-0124. The Board assigned this application file No. EB-2006-0054.

The requested amendment is to delete the Trail Road Landfill Generating Station from the list of licensed facilities.

Energy Ottawa submitted that a new corporation called PowerTrail Inc. was formed to own and operate the Trail Road Landfill Generating Station. PowerTrail Inc. was incorporated by its shareholders, Energy Ottawa and Integrated Gas Recovery Services Inc. The latter is also a licensed generator (EG-2005-0212). An application by PowerTrail Inc. for a new generation licence was received by the Board on March 9, 2006.

The amendment is granted as requested.

In granting this amendment, I have proceeded without a hearing as I am satisfied that no person other than the Licensee will be affected by this proceeding.

IT IS ORDERED THAT:

1. Schedule 1 of the Electricity Generation Licence EG-2003-0124 is amended as appears from the Schedule 1 to the attached amended Licence.

Under section 7(1) of the *Ontario Energy Board Act, 1998*, the decision may be appealed to the Board within 15 days.

ISSUED at Toronto, May 25, 2006.
